

**Children's Books Wanted
8th Annual Community Book Drive
Through September 8th**

John Wesley UMC is once again collecting books for the annual Community Book Drive. Please bring in new or gently used books, specifically for children between the ages of birth through eleven. Last year more than 14,000 children's books were collected and distributed through the Community Book Warehouse, which provides books to community organizations, schools and individuals to get them into the hands of vulnerable children. Books may be left in the box outside the chapel.

Thank you for helping an at-risk child develop a love of reading!
