

## HAT AND GLOVE COLLECTION

HEAD START of Washington County serves the littlest and the poorest children in our community. Many of these little ones go without the things that most of us take for granted, like a warm hat and gloves for winter. Please join us as we collect gloves/mittens and hats for children ages four and under. Look for the collection tree outside the chapel.

Donations may be new or gently worn and will be collected through Sunday, November 26th.

PLEASE NOTE: Adult sizes cannot be used.
