

Creative Saturday Event

Introduction to Jewelry Making

Saturday, October 5, 2019

10:00 a.m. to 12 noon

Room 100

John Wesley United Methodist Church

Join the Creative Fun!

Learn to create “one of a kind” jewelry. The instructor will be our own jewelry making expert, Deb Markell. She will introduce you to the tools and materials used to make different kinds of jewelry. The variety of available beads, stones and wires is calling for your creative energy. You will make a personally designed bracelet to wear home. It is possible to make it a Halloween themed bracelet just in time for the Halloween/Fall season. This workshop is open to anyone who is 6 years old or older. Those who are under 10 need to have an adult assistant attending with them. Adults are welcome as well as youth. Consider bringing a friend. Permission slips will be signed for youth if an adult is not staying with them. The cost is \$20 per person or \$30 for two children from the same family. A snack will be provided.

Call the church office to register at 301-733-0391 and make your payment which includes all necessary materials.
