

A person is silhouetted against a night sky filled with stars and the Milky Way galaxy. The person is sitting on a grassy hill, looking up at the stars. The sky is dark with a bright band of light from the galaxy stretching across it.

# **The Longest Night: A Service of Light In the Midst of Darkness**

**Sunday, December 22  
5:00 pm in the Sanctuary**

For many of us, the holiday season can be hard. We miss loved ones who are gone, we struggle with depression or other illness, we just don't feel holiday cheer. This is a simple service with lots of silence, a space where we can be honest about the darkness and seek the comfort of the light. All are welcome to join us in worship.
