

MEMORIAL QUILT PROJECT

The Binding Stitches Peacemakers are making a second quilt fund-raiser to benefit the ministries of the Church. We are planning a quilt to honor the memories of those who are with us in Spirit only as they have reached Eternal Life. John Wesley UM Church has a rich history of family lineage and this quilt will become a living legacy of our Church family. If you wish to honor a loved one in this way, please complete the form below and return it to the church office by **DECEMBER 31ST**, along with your donation of \$25.00. Since each block has size limitations, each block will include one family only. If you have questions, please contact Carole Keyser.
