

**AHOY!** We're setting sail for  
**SON TREASURE ISLAND**

Join us July 21-23 for a weekend VBS adventure. Our exploration will remind us that God is kind, forgiving and forever! Help us find the hidden treasure and be with us when we unlock the treasure chest! In addition to Bible stories, crafts, music and games there will be time for even more fellowship and fun at dinner on Friday, lunch on Saturday and breakfast on Sunday morning!

Reservations are requested for all participants - children and adults! Adult help is welcome in all areas - please see Miss Sheila. Forms are available in the front of the Sanctuary. Help us prepare for everyone. Make your reservation today. Please complete and return a registration form to Miss Sheila!

Thanks for continuing to share your recyclables for our craft and decorating needs!

**SAILORS NEEDED** in all areas to help give our castaways an unforgettable VBS experience. Some areas of need are: Decorators, preparation of crafts, group leaders and assistants, story helpers, recreation helpers, helping prepare, serve and cleanup for the meals and ice cream social, audio-visual assistance.

**SHARING TEAM - VBS STAFF:** All VBS staff are encouraged to attend a brief meeting with the Sharing Team on SUNDAY, JUNE 11 immediately after the worship service in the Conference Room! Let's overflow the room into the Wesleyan Classroom! If you are considering joining the VBS staff this is the perfect opportunity to have your questions answered and volunteer in an area you would enjoy in this ministry. See you there!
